ANNA PAULINA LUNA VOTED FOR OVER \$1 TRILLION IN HEALTH CARE CUTS

Now Floridians are losing coverage, facing higher costs, and watching access to care disappear across Pinellas County.

Last year, **Anna Paulina Luna voted with Donald Trump** to slash over **\$1 trillion** from Medicaid and the Affordable Care Act to pay for lavish tax cuts for billionaires and big corporations. New Medicaid eligibility limits will kick millions off coverage, while funding restrictions rip away money from hospitals, clinics, and nursing homes. They also ended the ACA premium tax credits that made coverage affordable for 22 million people – forcing working families to absorb skyrocketing premiums.

In Florida, 11 health care facilities are now at risk, cutting services, closing, or already closed after Anna Paulina Luna's vote sparked this crisis. For many Floridians, getting care means traveling farther, waiting longer, paying more – or going without it altogether. While Luna works in lock-step with Donald Trump and RFK Jr., Floridians are struggling to pay their bills and access the care they need.

Anna Paulina Luna claimed the bill she voted for “puts working and middle class Americans **FIRST!**”

The reality tells a very different story.

VOICES FROM TAMPA BAY

REAL PEOPLE, REAL CONSEQUENCES

“

I didn't go to the doctor – couldn't afford it. We have no employer-sponsored insurance, and Obamacare premiums are too high to afford. It's hard. You go through aches and pains, and you force yourself to get up and go to work.

JUDY, CLEARWATER

“

For the first time in our lives, we will go without health insurance. We do the best we can, but we can't afford \$40,000 a year in just health care premiums. We will be part of the uninsured in Florida – which just blows my mind. How is that acceptable?

LINDA MISNER, TAMPA

FLORIDIANS ARE SICK OF IT.

Anna Paulina Luna chose tax breaks for billionaires over the health care of the families she represents. It's time to restore the tax credits, reverse the Medicaid cuts, and lower costs – before more Tampa Bay families lose the care they depend on.
