

## **Nevadans Are Sick of Rising Costs and Losing Coverage Thanks to the GOP Health Care Disaster**

*Protect Our Care's Nationwide Grassroots Campaign, "Sick of It! Fix Health Care Now," is Giving Voice to Nevadans Sick of President Trump and Republicans in Congress Gutting Our Health Care System*

People across Nevada are sick of choosing between affording health care and putting food on the table. Donald Trump and Republicans have cut over \$1 trillion from health care to fund tax breaks for billionaires and big corporations, causing nearly 8 million Americans to lose their Affordable Care Act (ACA) or Medicaid/CHIP coverage — including nearly 42,000 Nevadans. [Premiums](#) have doubled for 94,596 Nevadans and nearly [22 million families](#) nationwide. and cuts to Medicaid are putting seniors, sick kids, moms, and disabled Americans at risk of losing access to lifesaving medical treatments. Nevadans are dropping coverage they can no longer afford, delaying care, rationing medications, and living with the constant fear that an emergency could push them deeper into debt.

Meanwhile, 4 hospitals, clinics, and nursing homes in Nevada have been forced to shut down, cut services, or are at risk of doing so following the GOP health care cuts. Entire communities are being stranded without essential care. For too many Nevadans, getting the care they need now means traveling farther, waiting longer, paying more, or going without it altogether. [Health care leaders](#) are sounding the alarm as they are forced to close maternity wards, scale back critical care units, and lay off team members to balance their budgets.

As the full impact of these cuts continues to unfold, more families are expected to lose coverage, more providers will face difficult financial decisions, and more communities will be left without the care they depend on.
