MAX MILLER VOTED FOR OVER \$1 TRILLION IN HEALTH CARE CUTS

Now Ohioans are losing coverage, facing higher costs, and watching access to care disappear across Northeast Ohio.

Last year, **Max Miller** voted with Donald Trump to slash over **\$1 trillion** from Medicaid and the Affordable Care Act to pay for lavish tax cuts for billionaires and big corporations. New Medicaid eligibility limits will kick millions off coverage, while funding restrictions rip away money from hospitals, clinics, and nursing homes. They also ended the ACA premium tax credits that made coverage affordable for 22 million people – forcing working families to absorb skyrocketing premiums.

In OH-07, **five health care facilities have closed** since Max Miller's vote sparked a health care crisis. For many Ohioans, getting care means traveling farther, waiting longer, paying more – or going without it altogether. While Miller strategizes with Donald Trump, Ohioans across northeast Ohio are struggling to pay their bills and access the care they need.

Max Miller said he “proudly voted for” over \$1 trillion in cuts to health care.

The reality tells a very different story.

”

We will have to make decisions about, you know – is it worth whatever care we need?

It gave me a headache and many swear words...Many, many swear words.

The whole process of trying to find health insurance through the marketplaces is making me feel very nervous to the point where I'm just starting to give up...I'm looking at all but if anything happened to me, I hope nothing happens but just kind of taking a chance if I don't get it.

JULIAN, CLEVELAND

OHIOANS ARE SICK OF IT.

Max Miller chose tax breaks for billionaires over the health care of the families he represents. It's time to restore the tax credits, reverse the Medicaid cuts, and lower costs – before more northeast Ohio families lose the care they depend on.
